JOB DESCRIPTION

JOB SUMMARY:

In partnership with Goodwill of Central and Southern Indiana, Eskenazi Health has developed a 12-week paid Pharmacy Technician Internship Program. All eligible interns will have completed a Pharmacy Board approved Pharmacy Technician Training Program through one of Goodwill's providers. All eligible technicians will have their Technician-In-Training permit. This internship will provide exposure and practical experience in outpatient, inpatient and clinical pharmacy. The Pharmacy Technician Intern will perform all assigned technical duties within their scope under the law to practice at the highest skill level of licensure. The Pharmacy Technician Intern will provide all aspects of direct and indirect customer service with internal and external customers.

Launch Your Career in Logistics *Through Project Azul*

October 22, 2020

**38% of households in Central Indiana are ALICE
(Asset Limited, Income Constrained, Employed) or
in poverty.**

*ALICE ® Report for United Way of Central Indiana Counties, 2018

Mission of Project Azul

The mission of **Project Azul** is to provide individuals from underserved communities with the flexible training and financial assistance needed to transition from unemployment or underemployment into full-time careers offering higher wages, access to benefits, and a pathway to career advancement.

Project Azul Trainings

Forklift Essentials

Two-day training focused on operating and safety of forklift driving. Successful participants receive an industry recognized Forklift certificate.

Team Lead Essentials

Two-day training focused on necessary skills essential for success as a Team Lead.

Warehouse Associates Essentials

Five-day training that includes both Forklift Essentials and Team Lead Essentials and also includes basics of supply chain and warehousing.

All of our trainings are held at the **Vincennes University Logistics Training and Education Center (VU LTEC)** in Plainfield.

Training Overview

- Courses are a blend of classroom instruction and hands-on activities
- Trainings are between 2 days and 5 days and are held several times per month
- Books are provided to all participants and are available in English or Spanish
- Additional safety practices have been implemented to protect participants from COVID 19
- Forklift Essentials component includes both a written and hands on test; tests can be taken as many times as needed in order to pass
- Written test can be taken in English or Spanish
- Participants are paid a stipend of \$12/hour once they have successfully completed training
- Full attendance is required to successfully complete training

Training Program

Skill Marketing to
Employer Partners

Workforce Success Coach

Project Azul participants receive support from a Workforce Success Coach. The Workforce Success Coach

- Provides career success coaching to participants
 - Refers participants to resources to help support their unique needs (such as childcare, transportation, English classes, high school equivalency, and more)
 - Matches participants with workplaces that meet their skills and career interests
 - Stays in contact with participants
- 
- 
- 

Job Placement

Project Azul will help you secure a **full-time job** once you complete the training

Number of jobs available within 30 miles of Indianapolis:

- Warehouse Worker: 5,700

- 

2019 Success in Action

- Enrolled in Training: 93
 - Successfully Completed Training: 73
 - 65% placed in full time, benefitted jobs, with pathway to career advancement (48 participants)
 - 25% of participants placed in full time jobs were not employed before Project Azul (12 participants)
 - 28% average pay increase (\$3.19/hour increase)
 - Pre-Project Azul average hourly wage (*if employed): \$11.00
 - Post-Project Azul average hourly wage: \$14.00
- 
- 
- 

Russell, PA Participant in 2019

- Moved to the US from the Philippines in 2015, leaving her family behind when she immigrated
 - When she connected with PA Workforce Success Coach, she was making \$14/hour but had no benefits
 - Workforce Success Coach connected her with local nonprofit legal clinic to assist her with the process to bring her family
 - Participated in Team Lead training
 - After completing training, Russell was offered a supervisor role and her pay increased to \$19/hour with benefits
- 
- 
- 

Oscar, PA Participant in 2019

- Was unemployed when connected with PA Workforce Success Coach
- Completed Team Lead Training Program
- Currently makes \$21.50/hour and works as a Trainer at logistics company in Plainfield
- Currently enrolled at Ivy Tech; pursuing a Business Management Degree
- Oscar says, "My life has changed considerably. I feel more confident in myself. I don't always have to do physical work anymore as I am now in charge of training others at my current job. This program has helped me find out what it is that I want for my life. It's also helped push me out of my comfort zone. I also learned to be more patient and humble with myself. This training was the starting point of a career pathway for me. I am now looking for ways to improve myself in different areas and also set goals for myself. The training helped me to be more open minded and take a humbler learning approach."
